change
without goals
does not reap benefit.

change is an important part of nature
and of our lives.
think how dull life would be
if everything remained the same.
change represents
something different and unexpected.
change is that which makes life a challenge.

in our society
change occurs much faster than ever before,
but only through change can we grow.

during the
coming and going
of everyday life,
we seldom look to see
the serene beauty of
our world.
reflections of life,
visions of peace,
come to us in moments of
silence and solitude.

braintree high seniors engaged in a special project this year. through the peace corps school partnership program, we made it possible for a three-room elementary school to be built in togo, africa. our job was to raise $1,277.63 to pay for the building materials. to begin this venture, stationery was sold. following this, sixty seniors spent sunday, january 27th, at zayre's taking inventory. these seniors volunteered their time and donated their earnings of $2.00 an hour to the partnership program. our funds totaled $1,283.86 — more than we needed! thanks to the help of many seniors, the building materials were paid for. the village of togo will supply the necessary land, labor, and teachers, and the children of that village will have a school.

Superintendent

Braintree
Public
Schools

Dear Graduates,

You are on the threshhold of a new life. Our true hope is that your education in the Braintree Public Schools will serve you well throughout your lifetime. America needs the idealism and enthusiasm of youth. You can change the world by making the most of your lives; by making each day really count. Every day is a new day.

We extend you our best wishes on your journey.

Peace always,

Julian Demeo Jr.

Julian Demeo Jr.

I imagine it was with mixed emotions that you began this your final year at Braintree High School. You undoubtedly looked forward to it for so long - and now the end is here. For some it hasn't come soon enough, for others the pangs of finishing high school are felt. The school has with varying degree provided you with the basic tools of learning and knowledge, so that now you may assume your adult role in our society. There is no easy way to success. You will get from life only what you put in. Do not be satisfied with less than your best.

In a world fraught with great problems there are still warm and sincere people. These are people who need your help. Find the warmth and sincerity in your heart to contribute to our society. My very best to you all.

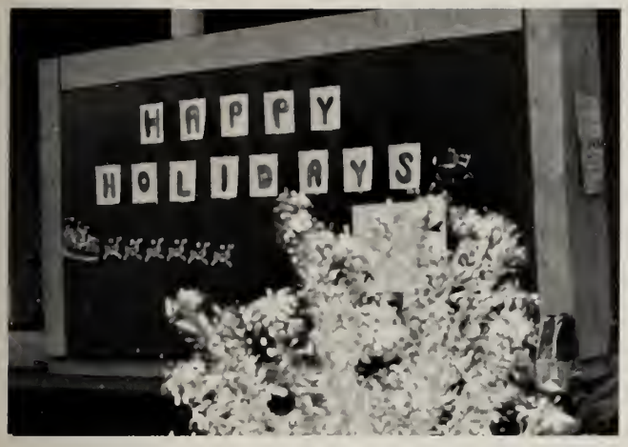
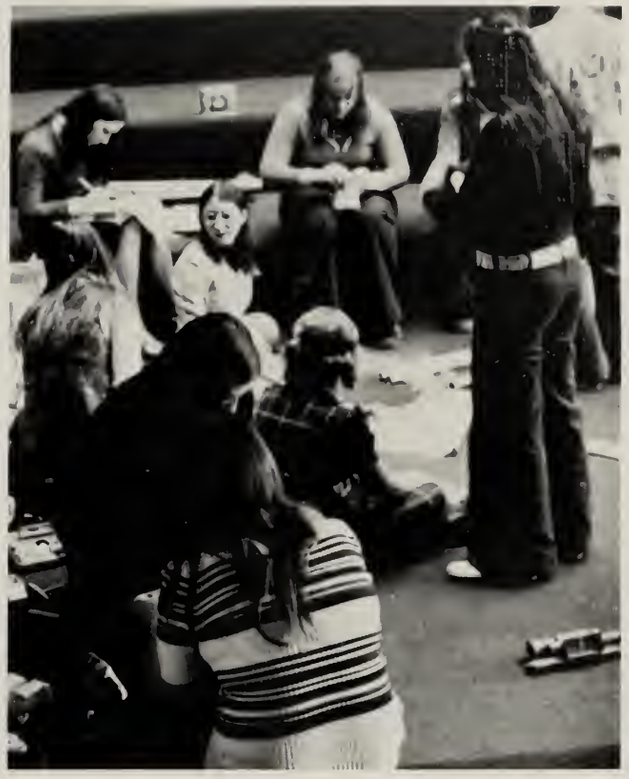
Santa's Workshop





During Christmas time students in all grades helped make Christmas a little brighter for those less fortunate than ourselves. Used toys were cleaned, repaired, if necessary, and wrapped. On delivery day girls dressed as elves and Santa Claus (Danny Kennedy) took toys to "Toys for Tots," the school for the deaf in Randoloph, St. Colettas in Hanover, Lakeville Hospital, and the Home for the Italian Children in Jamaica Plain.

The look on the children's faces as they opened their gifts was enough thanks for all those who participated in the project. The response of those who helped in this project was overwhelming and showed that students really do care about others!

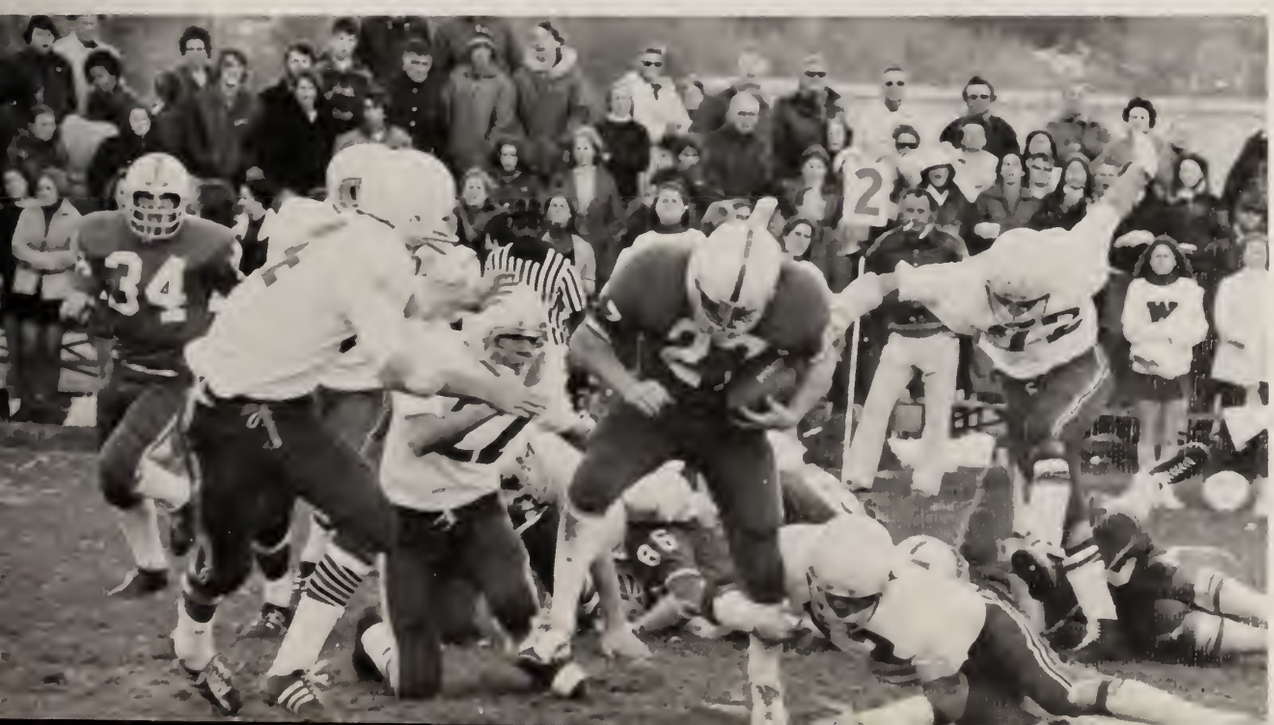
Football

This year the B.H.S. Football Team tied for third place in the Bay State League. The team, led by Seniors Kenny Driscoll, Mark Hurrie, and Co-Captains Dave Swanton and Mark Griffith sparked the spirit which enabled the team to win the last 5 games to end the season with a record of 6 wins, 2 losses, and 1 tie. Ken Curran won the Doherty Award and Don DeRosa was named as next year's captain.



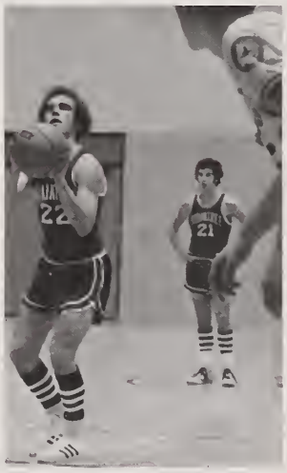
Soccer

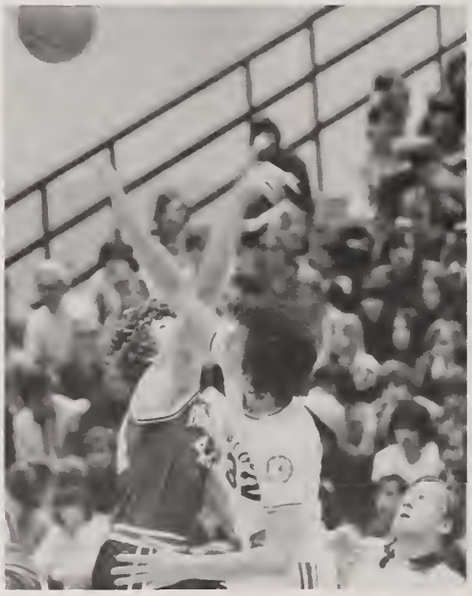
The Braintree High Soccer team had another successful year with 14 wins and 2 losses, making them the Bay State League Champs for the fifth consecutive year. Co-Captains Rick Neil and Neil Roberts helped to lead an outstanding team to victory upon victory.

Cross Country

The Braintree High School Cross-Country team finished a fine season in the Bay State League, capturing third place with an overall record of 6 wins and 3 losses. Top runners for the Wamp squad were Co-Captains Senior Bill Roach, Junior Steve Palmer and Sophomore Joe Mathews.

Boys Basketball





The boys Basketball team came under the command of a new head coach this year, Dave Crook. This year's team was led by Senior Captain Wayne Opie, who scored an average of 16 points a game and has proven himself as one of the best players B.H.S. has turned out.

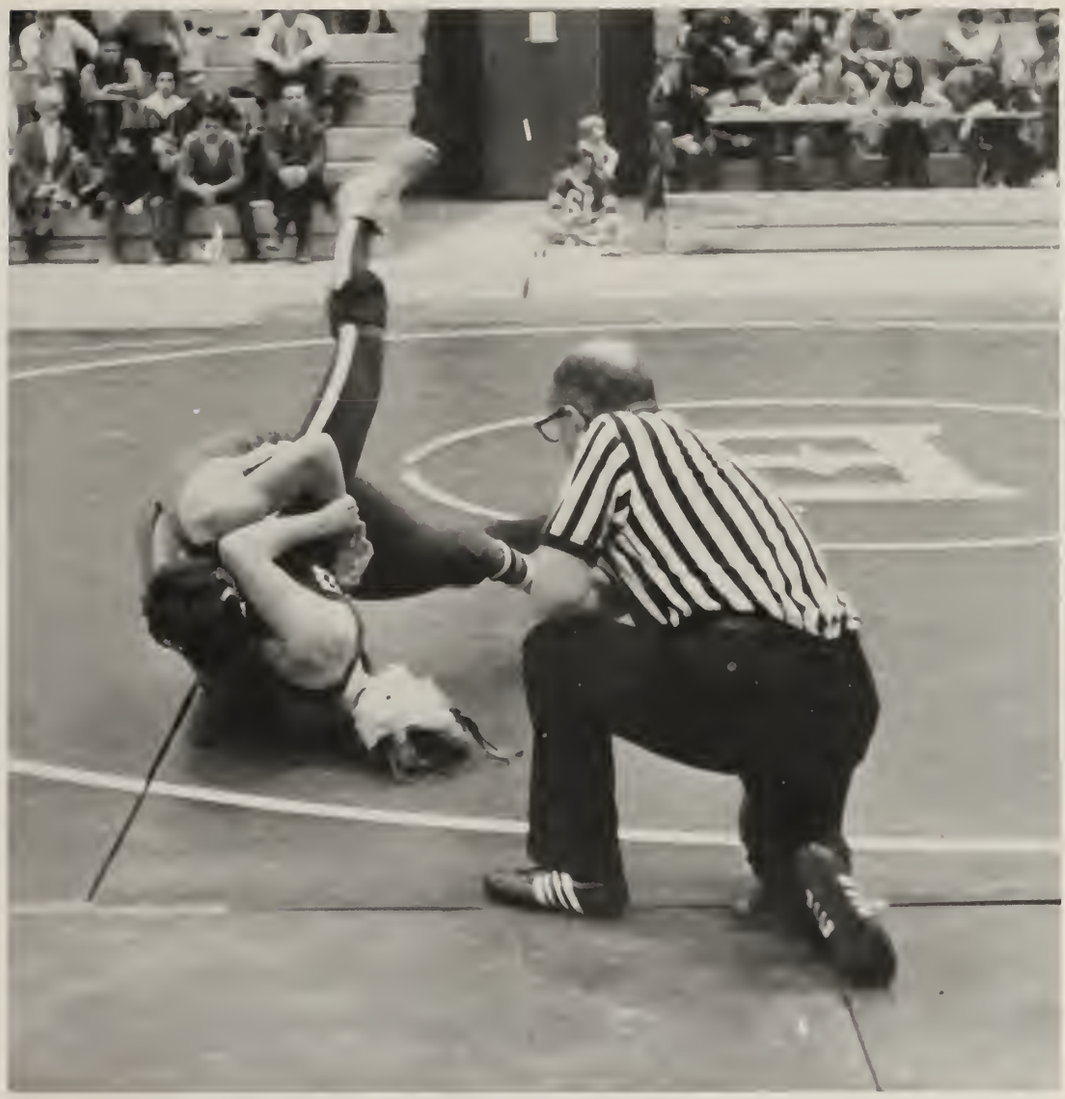
HOCKEY

The B.H.S. Hockey team had a great season this year. Among the victories were wins over Natick and Dedham. The team was led by coach Robert Vafides who could be seen on the sidelines enjoying a Nestle's Crunch bar.

The Indoor Track team recorded its best seasonal work, 7-2 en route to its 3rd place finish in the Bay State League. Bill McBrine's school record in the shot put established him as the best in the league. Co-captains Bill Roach and Craig Jordan both had productive seasons with Roach finishing 4th in class A. Next year's team looks to be tough to beat as it will be paced by Jim Boyce, Dan Belcher and Mark Frisina.

Indoor Track

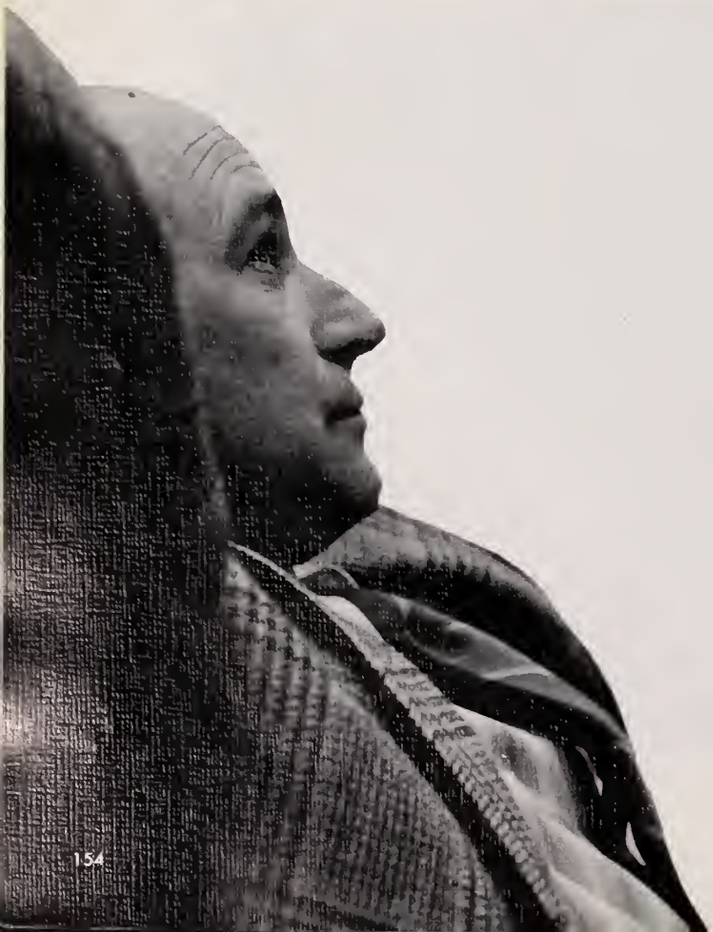
Wrestling



From the experience gained in the first half of the season the Wamp Grapplers finished strong at 7-9 over-all. Manager Kathy Sharkey inspired the team to a 4-4 record for a 4th place finish in the Bay State League.

Led by Gil Buthlay and Mike Richardi, this young squad looks forward to a prosperous season next year. Returning from an injury, Colin Kilrain along with his 1st year wrestler Al Barese sparked the team to an 8th place finish in the South East Regionals.

Boys Gymnastics



The Braintree High Boy's Gymnastics Team had another excellent season with a finishing record of 9-0. The team was led by co-captain Jeff Barlow — third place in vaulting, Mike McKinney — state champ on high bar, and 3rd place all-around with Bill Campbell finalist on the parallel bars. Other high scorers were Bill Dolphin and Richard Yazbeck. Congratulations to our 1974 State Champs.

Girls Gymnastics

The Girls Gymnastics Team was led by senior captain Debbie Ellis, a member of the varsity squad since her sophomore year and recipient of the Harris Trophy. The girls worked their way to a year end record of 9-0, captured the Bay State League Championship, and went on to become State League Champions, to match the boys title. Since 1971 the B.H.S. girls gymnastics team have been undefeated, and now hold a 26-0 record. The girls are coached by Marjorie Smith and Sandra Hoyt.

Field Hockey

This year the Girls' Field Hockey team really outdid themselves with a fantastic win of the Bay State League Championship, first in 17 years. They were led into victory by two senior co-captains, Debbie Burbank and Karen McGrath, other seniors on the team were Liz Barrett, Karen Lyons, MaryJane Muello and manager Anne Primiano and many thanks to our coach Mrs. Redmond.

Girls Basketball

The girl's Varsity Basketball Team started off the year with only one senior, Mary Jane Muello. She is an outstanding player and this year's captain. This is her second year on the varsity team along with Sue Paylor, another promising athlete, who will return next year. The whole squad consists of 1 senior, 7 juniors, and 3 sophomores.

Child Care is a course designed to let the girls get first hand nursery school experience. The first half of the school year they spent studying psychological and physical aspects of children. During the second half of the year they are involved in organizing and participating in an actual in class nursery school program.

Our "Warren's Warranty"
Will Come To Your

RES-Q

We couldn't put our
extended warranty on
just anybody's products

THAT WOULD BE CRAZY.

We don't charge you a dime
extra for our exclusive
warranty so we wouldn't go
around doubling and tripling
every warranty around...

WE HAVE TO BE SELECTIVE.

That's why we sell Panasonic.
We can say with complete
confidence, "Why settle for
just a 90 day warranty when
at Warren's we'll give you
up to two years free parts and
labor protection on Panasonic".

When it costs no more,
and the protection is so good,
we think you'll agree...

WARREN'S is the only place to buy Panasonic

You're about to take a giant step forward into your future.
We think we can make it the bright one you want it
to be at New England Telephone. With a job that's every
bit as big as your ambition. You see, we need people.
With all kinds of talents. And especially, people who
really want to get going with their future. And want to
be rewarded with automatic raises. If you want
a job and a future that's tailored to your talent...
along with unusually generous fringe benefits, stop
in and see your guidance counselor. Ask when and
where you can apply for an interview with the people
who want to make your future as happy as you want
it to be.
